01 WHERE WE STARTED

What we built it around.

- 01 With everything from drawing to finishing, we can facilitate it all in our shop.
From your About page. Option 1 opens the hidden closet in your board wall.
- 02 Many of our processes are still hands-on resulting in a truly custom made final product.
From your About page. Option 2 loops your own shop film.
- 03 We work closely with designers, builders, and homeowners to build your cabinets to your specifications.
From your About page. Option 3 stands you between two walls of your Baltusrol kitchen.

06 QUESTIONS

The usual questions.

01 Will moving hurt my Google ranking?

Nothing moves. You stay on Squarespace, at the same addresses, with the same pages and business details, so everything Google already knows keeps working. The new design is fast and built for phones first, which Google rewards. We don't promise rankings.

02 Is it secure?

Yes. Your site stays on Squarespace, which looks after the hosting, security updates and checkout. The new design is tested on a preview of your real site before anything goes live.

03 Who owns it?

You do. The site and the domain stay in your Squarespace account, in your name. Nothing of ours renews unless you ask.

04 How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from \$250 a month, cancel anytime.

05 When do I pay?

Half (\$1,250) when you say go, the rest (\$1,250) when the site is live. You've seen the homepage before paying anything.
